Bunker Hill Community College

ELECTRIC POWER UTILITY TECHNOLOGY
Associates Degree Program

Application Dates & Deadline
Fall 2021: October 2020 – March 2020

Application Requirements

Part 1 –

All applicants must complete and meet the below requirements before moving onto Part 2 of the application process. Please note: Satisfying the below requirements does not guarantee a space in the EPUT program.

☐ **Attend an Electric Power Utility Technology Program information session - www.bhcc.edu/admissions/info/**

☐ **Complete the BHCC application online at www.bhcc.edu/admissions/applynow.**

☐ **Submit proof of high school completion (or its equivalency) by uploading the document to your online application through BHCCAdmissions or emailing a copy to selectiveadmissions@bhcc.edu.**

   o A copy of your final high school transcript or diploma
   o A copy of your passing GED or HiSET score report

☐ **Complete Foundations of Algebra with a grade of C or higher** (BHCC's course is MAT 097) or take the College Placement Test (CPT) and place into **Intermediate Algebra** (BHCC's course is MAT 099).

☐ **Complete Writing Skills II with a grade of C or higher** (BHCC's course is ENG 095) or take the College Placement Test (CPT) and place into **College Writing I** (BHCC's course is ENG 111).

☐ Review additional placement options to satisfy the above requirements, visit the Assessment Center.

   o If you have previously attended another college or university, BHCC will evaluate successfully completed courses to see if you are exempt from testing. To review prior course work options click here.

Part 2

☐ Applicants that have completed and met the above requirements will complete an Eversource Application.

   o BHCC will notify you of next steps via email.
   o If you have any questions for Eversource prior to that please feel free to reach out to Eversource at 781-441-8300 or eput@eversource.com.
