

# Bunker Hill Community College

## Health Science AA | Advising Guide for Cardiac Sonography Interest

This Advising Guide for Health Science AA students outlines the prerequisite coursework to apply for one of the following programs within the College's Health pathways:

Nurse Education	Cardiac Sonography
Medical Radiography	Medical Laboratory Technician
General Sonography	Surgical Technology

Please note that these programs have a competitive application process and students must attend a mandatory admissions information session and complete all required admissions prerequisites before they can apply.

Students apply to specific Health pathway programs after Semester Two. Once admitted into a program, students will switch to their specific health program.

The AA Health Sciences program also satisfies all General Education requirements and the MassTransfer General Education Foundation. Students completing this associate's degree are qualified to apply for baccalaureate level health programs such as nursing, nutrition science or programs outside of health sciences.

Students interested in a career in these Health Programs should NOT enroll in the AS Biological Sciences – Medical Professions Option.

### Cardiac Sonography Interest

#### Semester One

ENG111 College Writing I  
BIO108 Human Biology  
HUM120 Self, Culture and Society  
MAT181 or MAT194 or any higher-level math
